## Spanish Phrases (Everyday) Speedy Study Guides By Speedy Publishing

A student learning Spanish is learning the grammar and mechanics of the Spanish language. Often, the everyday phrases that we use in normal conversational speaking is never touched upon or even introduced. A pamphlet depicting these everyday phrases would not only increase the Spanish student's vocabulary, but allow them to be able to speak in a more conversational tone to someone who actually speaks Spanish. This would then liberate the Spanish student from book work to conversations and actual speaking.
