Stress Management For Dummies By Allen Elkin

“This book gives you many action-oriented ways of coping with your anxiety about anxiety.”

—Albert Ellis, PhD, President, Albert Ellis Institute

Is your job tying your stomach in knots? Do you toss and turn in bed at night? Are your ulcers having ulcers? Face it—you’ve got too much stress in your life, and it’s time to give yourself a break. The consequences of not dealing with stress range from poor health and broken marriages to premature death: not a very cheerful outlook. Thankfully, all kinds of stress reduction approaches are available today: from breathing and posture to imagery and meditation. These new ideas have taken the world by storm—and taken the pressure cooker off the fire for millions of chilled-out people around the world.

Whether it’s love, work, family, or something else that’s got your anxiety in the red zone, here’s an easy way to improve your outlook. *Stress Management For Dummies* will help you identify the stress triggers in your life and cut them down to size quickly, with tips on how to:

- Determine your stress level
- Relieve tension at work and at home
- Deal with difficult people
- Combat stress with diet and exercise
- Soothe your anger and worry

Certified stress manager Allen Elkin, PhD takes the guesswork (and the added stress!) out of finding the stress relief system that’s right for you. After determining your stress level with a few simple tests, you’ll get step-by-step guidance on finding and eliminating sources of stress, in both your mind and body. Inside are hassle-free techniques, helpful advice, self-evaluation quizzes, and fascinating information on:

- Letting go of tension through breathing, stretching, massage, and more
- Clearing the clutter in your life—and in your mind
- Managing your time—setting priorities, delegating, and conquering procrastination
- Eating, exercising, and sleeping right
- Stress-resistant thinking

- Reducing interpersonal stress
- Personal relaxation techniques
- The top ten stresses in life
- The ten most stressful jobs

With a wide but manageable array of stress-management techniques, strategies, and tactics, this is your own personal toolbox for stress relief. So relax, take a deep breath, and start reading!

Users Review

From reader reviews:

Frances Heath:

This Stress Management For Dummies are generally reliable for you who want to be considered a successful person, why. The reason of this Stress Management For Dummies can be one of several great books you must have is giving you more than just simple examining food but feed you with information that probably will shock your earlier knowledge. This book will be handy, you can bring it everywhere you go and whenever your conditions both in e-book and printed versions. Beside that this Stress Management For Dummies giving you an enormous of experience including rich vocabulary, giving you trial run of critical thinking that could it useful in your day task. So , let's have it and revel in reading.

Richard Capps:

Many people spending their time frame by playing outside along with friends, fun activity using family or just watching TV the whole day. You can have new activity to shell out your whole day by examining a book. Ugh, ya think reading a book can actually hard because you have to use the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Cell phone. Like Stress Management For Dummies which is getting the e-book version. So , why not try out this book? Let's observe.

Vanessa McGinty:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Stress Management For Dummies can make you truly feel more interested to read.

Randall Hernandez:

Reading a e-book make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is prepared or printed or created from each source which filled update of news. In this particular modern era like now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just seeking the Stress Management For Dummies when you essential it?
