The First Epistle to the Corinthians (New International Greek Testament Commentary) By Anthony C. Thiselton

This superb volume in the New International Greek Testament Commentary series provides the most detailed, definitive, and distinctive commentary on 1 Corinthians available in English to date.

One of the world's most respected Christian theologians, Anthony Thiselton here provides in-depth discussion of the language of 1 Corinthians, presents his own careful translation of the Greek, traces the main issues of interpretation from the church fathers to the present, and highlights topics of theological, ethical, and sociohistorical interest today, including ethics and "rights," marriage, divorce and remarriage, "headship," gender, prophecy, and many others.

No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton's work, which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout. In his commentary Thiselton indeed addresses virtually every question that thoughtful, serious readers -- scholars, students, pastors, teachers -- may wish to ask of or about the text of 1 Corinthians. His work truly offers a fresh, comprehensive, and original contribution to our understanding of this major epistle and its contemporary relevance.

Editorial Review

Review

Evangelical Review of Theology

"A prodigious commentary on First Corinthians which will be welcomed by students, scholars, and pastors alike. . . A fine scholarly achievement. The substantial bibliographies, the excursuses incorporating ancient as well as the most recent scholarly discussion, and the comprehensive indices at the end make the volume not only a welcome addition to the literature on First Corinthians, but also a useful resource for the study of Pauline theology."

Theological Studies

"The volume's comprehensive scope demonstrates Thiselton's command of both this letter and the wider issues of Pauline studies. The exegesis is careful and rigorously represents the various interpretations available for nearly every passage. . . The volume is extremely lucid for such a technical work and will serve the field of New Testament studies for many years to come. . . Highly recommended."

Raymond F. Collins

"I have read Anthony Thiselton's commentary with delight. It is an impressive conversation with the best of contemporary interpretation of Paul's first letter to the Corinthians. Its clearly articulated juxtaposition of opposing views makes it a valuable tool for those who want to go further in the study of one of the most important documents of the early church."

Craig L. Blomberg

"Every New Testament book except 1 Corinthians has had at least one major English-language commentary on its Greek text published in recent years. For 1 Corinthians the last such commentary was Robertson and Plummer's revised edition in 1914! Now this gap has been amply filled by one of the most detailed, widely ranging, and exegetically compelling commentaries ever written on any book of the Bible. Scholars, pastors, and students alike are all now massively indebted to Tony Thiselton for this prodigious work."

About the Author

Anthony C. Thiselton is professor emeritus of Christian theology at the University of Nottingham, England.

Users Review

From reader reviews:

Sarah Fernandez:

The reason? Because this The First Epistle to the Corinthians (New International Greek Testament Commentary) is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content on the inside easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of positive aspects than the other book get such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I ended up you I

will go to the publication store hurriedly.
