A Walk in the (Woods) Forest  
Fun Adventures with Synonyms  
94 page spreads  
This book includes: 118 synonym word pairs

This book helps teach children about synonyms in a variety of engaging ways.

In this inventive adventure nature book you will find photos of forest animals taken by professional photographers. Two young children have lively confrontational dialogues about animals they discover on their walk through a forest. Readers will giggle as they follow the character's conversations as they use different words that have the same or similar meanings. This book will help expand vocabulary and demonstrates how you can improve your writing using different words. For easy identification, synonyms are clearly indicated in a common color that contrasts with the regular text. This book lends itself to partner reading.

We strive to make our books unique and design them from the ground up. Books by Galloping Turtle Books are created by educators and illustrated with photos from professional photographers. Our books are not just photocopies of previously published books. And our books are not designed from mass produced book themes or generic interactive tools.

Galloping Turtle's photographer, Dwight Kuhn, has published 167 children's book [including print editions] on nature and biology subjects. Many of his books have been award winning titles. Kuhn was one of ten photographers featured in the book: Wildlife Photography - The Art and Technique of Ten Masters.

This book is consistent with the Common Core State Standards.
