**Full Throttle (Hover Car Racer)** By Matthew Reilly

**Never give up. Never say die.**

That's the most important advice his hard-as-nails instructor, Scott Syracuse, gives hover car racing phenomenon Jason Chaser. Combined with Jason's guts, determination, and talent, that advice brings Jason within a hairsbreadth of victory over his archrival, Xavier Xonora, at the international Racing School's Sponsors' Tournament. Even more amazing, Jason finds himself with a sponsor for the Italian Run, a prestigious professional race.

Nothing in Jason's tumultuous first year at the International Racing School prepares him for the culture shock of race fever in Italy. Luxury hotels, glamorous parties, media frenzy, hundreds of thousands of screaming fans lining the streets...and more intrigue and dirty dealing than Jason's ever faced. Can Jason stay focused and keep Syracuse's advice in mind? And at what cost?

How did Jason Chaser make it to the Sponsors' Tournament? Read the first book in the Hover Car Racer trilogy, *Crash Course*.

### Users Review

#### From reader reviews:

##### Janet Speer:

Within other case, little persons like to read book Full Throttle (Hover Car Racer). You can choose the best book if you love reading a book. As long as we know about how is important a new book Full Throttle (Hover Car Racer). You can add understanding and of course you can around the world by a book. Absolutely right, simply because from book you can know everything! From your country till foreign or abroad you will find yourself known. About simple point until wonderful thing you can know that. In this era, we can easily open a book or even searching by internet product. It is called e-book. You can utilize it when you feel fed up to go to the library. Let's read.

##### Jon Harrill:

The book Full Throttle (Hover Car Racer) make one feel enjoy for your spare time. You may use to make your capable far more increase. Book can for being your best friend when you getting anxiety or having big problem along with your subject. If you can make examining a book Full Throttle (Hover Car Racer) for being your habit, you can get more advantages, like add your own capable, increase your knowledge about several or all subjects. You can know everything if you like wide open and read a guide Full Throttle (Hover Car Racer). Kinds of book are a lot of. It means that, science guide or encyclopedia or other folks. So , how do you think about this reserve?

##### Clark Abeyta:

In this era globalization it is important to someone to get information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The particular book that

recommended for you is Full Throttle (Hover Car Racer) this book consist a lot of the information from the condition of this world now. This kind of book was represented just how can the world has grown up. The language styles that writer value to explain it is easy to understand. Typically the writer made some exploration when he makes this book. That is why this book suitable all of you.

**Sherry Nicholson:**

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Full Throttle (Hover Car Racer) can make you truly feel more interested to read.
