Pasaje al futuro (Spanish Edition) By Santiago Bilinkis

¿Sabías que la primera persona capaz de vivir mil años probablemente ya nació? ¿Y que no está tan lejos la posibilidad de reemplazar un órgano enfermo por uno artificial? La aceleración del avance tecnológico nos ubica hoy en un punto bisagra de la historia de la humanidad. Pasaje al futuro es una invitación a entender mejor el presente y a imaginar el porvenir.

Como ves, tu vida está a punto de cambiar. La aceleración del avance tecnológico nos ubica hoy en un punto bisagra de la historia de la humanidad; generando, en pocos años, una transformación mucho más profunda que la producida en los últimos cinco milenios.

No existe una sola actividad humana que no vaya a verse alterada por las innovaciones que ya se están desarrollando. Y si actualmente sentimos que las cosas cambian rápido, hay que prepararse para una nueva acelerada. El desafío de adaptación que enfrentaremos será enorme e impactará directamente en las decisiones cotidianas. En este escenario: ¿Qué tipo de educación darle a nuestros hijos? ¿Tendrá sentido escoger una carrera universitaria? ¿Cómo prepararnos y preparar a nuestras organizaciones para el mundo que viene?

Entender la dinámica de los cambios resulta imprescindible para tomar a tiempo las mejores decisiones que moldeen nuestro mañana. Pasaje al futuro es una invitación a entender mejor el presente y a imaginar el porvenir.
