### Red Phoenix Burning By Larry Bond, Chris Carlson

North Korea has one of the world's largest standing armies, capable of unleashing a massive arsenal of chemical and nuclear weapons. With an unstable government, under absolute dictator Kim Jong-un, North Korea more closely resembles an organized crime ring than a real nation-state. Millions live on the edge of starvation while Pyongyang's ruthless generals, crooked bureaucrats, and vicious secret police wage a covert war against each other to expand their rival fiefdoms. RED PHOENIX BURNING explores the implosion of this corrupt regime – a coup that triggers a bloody civil war among the North's brutal factions. The world is dragged into a violent and rapidly widening confrontation amid North Korea's shattered ruins, bringing it to the edge of an all-out war that could engulf the entire civilized world. Fans of the original RED PHOENIX will be delighted to see favorite characters like Colonel Kevin Little, Brigadier General Tony Christopher, and Colonel Rhee Han-Gil returning to battle, older and wiser, alongside a new cast of heroes and villains. RED PHOENIX BURNING will also offer readers a deeper look behind today's headlines of turmoil and uncertainty—a look made all the more profound by the in-depth knowledge of war, military technology, and geopolitics brought to bear by Larry Bond and his co-author Chris Carlson.

##### **Virginia McNally:**

Nowadays reading books become more and more than want or need but also be a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want really feel happy read one with theme for entertaining for instance comic or novel. The particular Red Phoenix Burning is kind of guide which is giving the reader unforeseen experience.

##### **Claudia Kelley:**

This book untitled Red Phoenix Burning to be one of several books which best seller in this year, that's because when you read this e-book you can get a lot of benefit onto it. You will easily to buy that book in the book retailer or you can order it by means of online. The publisher on this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Touch screen phone. So there is no reason to you personally to past this reserve from your list.

##### **Patricia Stokes:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Red Phoenix Burning can make you experience more interested to read.
