**The Cambridge Companion to Horseracing** From Brand: Cambridge University Press

People have been racing horses for thousands of years, all over the world. Yet horseracing is often presented as an English creation that was exported, unaltered, to the colonies. This Companion investigates the intersection of racing and literature, art, history, and finance, casting the sport as the product of cross-class, cosmopolitan, and international influences. Chapters on racing history and the origins of the thoroughbred demonstrate how the gift of a fast horse could forge alliances between nations, and the extent to which international power dynamics can be traced back to racetracks and breeding sheds. Leading scholars and journalists draw on original research and firsthand experience to create vivid portraits of the racetracks of Newmarket, Kentucky, the Curragh, and Hunter Valley, exposing readers to new racing frontiers in China and Dubai as well. A unique resource for fans and scholars alike, this Companion reopens essential questions regarding the legacy and importance of horseracing today.

Rebecca Cassidy is Professor of Anthropology at Goldsmiths, University of London. She has written and edited a number of books on horseracing, animal domestication and gambling, including *Horse People* (2007) and *Sport of Kings: Kinship, Class and Thoroughbred Breeding in Newmarket* (2002).

## **Users Review**

**From reader reviews:**

**Nathanael Ma:**

Book is to be different for every grade. Book for children until finally adult are different content. To be sure that book is very important for all of us. The book *The Cambridge Companion to Horseracing* ended up being making you to know about other knowledge and of course you can take more information. It is very advantages for you. The publication *The Cambridge Companion to Horseracing* is not only giving you more new information but also to get your friend when you really feel bored. You can spend your own spend time to read your guide. Try to make relationship with all the book *The Cambridge Companion to Horseracing*. You never really feel lose out for everything in case you read some books.

**Rose Ibarra:**

Nowadays reading books be than want or need but also work as a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book this improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with education books but if you want experience happy read one along with theme for entertaining including comic or novel. The *The Cambridge Companion to Horseracing* is kind of publication which is giving the reader capricious experience.

**Gay Swiderski:**

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider when those information which is within the former life are hard to be find than now is taking seriously which one is

suitable to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take The Cambridge Companion to Horseracing as the daily resource information.

**Mary Linkous:**

Your reading 6th sense will not betray anyone, why because this The Cambridge Companion to Horseracing reserve written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written throughout good manner for you, dripping every ideas and writing skill only for eliminate your own hunger then you still uncertainty The Cambridge Companion to Horseracing as good book not simply by the cover but also by content. This is one reserve that can break don't determine book by its cover, so do you still needing an additional sixth sense to pick that!? Oh come on your looking at sixth sense already alerted you so why you have to listening to another sixth sense.
