The King in His Beauty: A Biblical Theology of the Old and New Testaments By Thomas R. Schreiner

Thomas Schreiner, a respected scholar and a trusted voice for many students and pastors, offers a substantial and accessibly written overview of the whole Bible. He traces the storyline of the scriptures from the standpoint of biblical theology, examining the overarching message that is conveyed throughout. Schreiner emphasizes three interrelated and unified themes that stand out in the biblical narrative: God as Lord, human beings as those who are made in God's image, and the land or place in which God's rule is exercised. The goal of God's kingdom is to see the king in his beauty and to be enraptured in his glory.

Editorial Review

From the Back Cover

"A wonderfully clear and faithful account of biblical theology. This book is both intellectually compelling and honoring to God and so deserves to be widely read."

--**Simon Gathercole**, University of Cambridge

"From the garden of Eden to the garden of Paradise, Tom Schreiner deftly takes the reader through the entire narrative of the history of redemption. Giving attention to every part of the canonical Scriptures, Schreiner shows how the Bible coheres under the theme of the kingdom or rule of God. The payoff is a feast of theological, practical, and devotional insights. In a simple, direct, and nontechnical way, this book will bring Christians to a new understanding and appreciation of the entire Bible."

--**Donald A. Hagner**, Fuller Theological Seminary

"Schreiner's one-volume biblical theology is a bountiful bonanza of biblical storytelling. In a time when biblical studies has become partitioned between the Hebrew Bible and the Greek New Testament, Schreiner reminds us that there is one God, one book, and one story. A nuanced and much-needed book to help Christians understand what the Bible is about and how it all hangs together."

--**Michael F. Bird**, Crossway College, Brisbane, Australia

"Having written major volumes on Pauline theology and New Testament theology, Tom Schreiner places a remarkable capstone on his work by tackling a biblical theology of the entire canon of Scripture. And he is up to the task, clearly and consistently tracing the theme of God as King and the ultimate triumph of the kingdom of God from Genesis through Revelation. Few volumes have dealt so comprehensively and so well with the grand narrative of Scripture from beginning to end."

--**Mark L. Strauss**, Bethel Seminary San Diego

"A book that wonderfully unites all the books of the Bible. Few authors have the command of learning, the gift of teaching, and the heart for God that this volume reflects. Digest this book to elevate your grasp of the Bible and to find your soul riveted like never before to the King in his beauty."

--**Robert W. Yarbrough**, Covenant Theological Seminary, St. Louis, Missouri
