Wild Addiction (Wild, #2) By Emma Hart

In this sizzling conclusion to WILD TEMPTATION, Liv and Tyler see the boundaries of their addictions pushed to new limits as their heads battle with their hearts for an explosive fall into the depths of love...

I gave him my body, and he gave me no strings. It was that simple... in the beginning.

I never could have imagined my temptation could become my addiction. If I knew for a second how entirely Tyler Stone would consume me, I never would have handed him my body so freely.

His addiction feeds mine. My cravings ignite his. Together we are dangerous. Destructive. Obsessive. Wild.

But now it's too late. We're bound by more than our inexplicable need for the other, and the ties that hold us together are irreversible.

He craves my body. I crave his heart.

This is addiction.

Wild Addiction is the conclusion to Liv and Tyler's story that began in Wild Temptation and the free prequel, Wild Attraction.
