As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know
