**Cross the Line (A Boston Love Story Book 2) By Julie Johnson**

**Phoebe West has been head-over-heels in love with her brother's best friend for as long as she can remember.**

Not that he's bothered to notice.

Despite several mortifying attempts at seduction and a decade's worth of unrequited pining, nothing Phoebe does seems to make any impact on the man she's obsessed over since her bra-stuffing days. She knows it's time to let him go, though just the thought is nearly enough to shatter her...

**Nathaniel "Nate" Knox has only ever seen Phoebe as one thing: forbidden.**

There's a darkness in Nate, the kind you can't avoid after years working in special forces and private security. He's no good for anyone — especially not someone as sweet as his best friend's little sister. He knows he can't have her. Not ever. Even if she makes him feel things he barely recognizes...

**Some lines aren't meant to be crossed.**

When an unforeseeable series of events sends Phoebe stumbling headfirst into danger, there's only one man who can protect her. Though, in his quest to save her life, he may just break her heart...

**CROSS THE LINE** is a full-length contemporary romance about a woman who can't seem to walk away... and the man who'll go to any length to keep her safe. Due to sparks flying, suspenseful moments, steamy scenes, and one sassy heroine, it is recommended to readers ages 17 and up.

## **Editorial Review**

### Review

"I absolutely LOVED this book!!! I was hooked from the first page and didn't want to put it down until the end. It was the perfect mix of everything I could want in an awesome romance!!! It was SEXY, SWOONY, SASSY, and SWEET, but also suspenseful, hilarious, emotional, and fast-paced. The feisty heroine had me laughing out loud over and over again, and the mysterious brooding Alpha hero stole my heart!!!" - *Aestas Book Blog*
