Done With Love... a What's Love??? novel, Book Two

Once upon a time...

Bridal boutique owner Alexis Gorecki used to believe in happily-ever-afters—until Prince Charming turned into a toad. When it seems her evil almost-in-laws will stop at nothing to ruin her professional reputation Lexie wages war. Which sounded so much better in her head.

Her strawberries and cream personality really isn't cut out for taser guns and blackmail.

To complicate matters, her first love is back in town—and pushing all the right buttons. Her heart still remembers the first time he broke it, but she can't deny the way her body responds to his touch. Leo Moss has always been her weakness. Can he convince Lexie she's not quite done with love?

## **Editorial Review**

### **Review**

"Done With Love is a sexy RomCom I enjoyed from beginning to end..." Tobi Helton, Forget the Housework, I'm Reading.

### **About the Author**

Once upon a time, there was a young girl who wrote sappy poetry about every relationship gone wrong. She had her heart broken many times before the man of her dreams stepped off a big Navy ship and swept her off her feet, promising to never hold her shoe obsession against her. From that day forward, she swore she'd never again write sappy poetry of unrequited love. Instead, a sucker for smooches and happily-ever-afters, Niecey Roy now writes contemporary romance inspired by her sailor's sexy brown eyes and charming sense of humor.

## **Users Review**

### **From reader reviews:**

#### **Will Guertin:**

As people who live in the actual modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era and that is always change and make progress.
