**Finding God in the Land of Narnia (Saltriver)** By Kurt Bruner, Jim Ware

In *Finding God in the Land of Narnia*, best-selling authors Kurt Bruner and Jim Ware explore the deep spiritual themes of redemption and grace found in the popular Chronicles of Narnia series by C. S. Lewis. With amazing clarity that captures the tone and style of C. S. Lewis himself, the authors offer a depth of insight that will surprise even the most ardent Lewis fan. Each chapter will help readers gain not only a deeper understanding of the popular Lewis series, but a deeper understanding of God himself.

### Editorial Review

From Publishers Weekly

"It is not our intention to turn Lewis's stories into sermons," say Bruner and Ware, authors of Finding God in the Lord of the Rings. "But we do hope to draw spiritual insights from the faith that inspired their author and informed their plots." The authors use selected scenes from the Narnia Chronicles to open each of the more than two dozen short, thematic chapters of this book. These chapters address spiritual themes that many Christians can relate to: why do bad things happen to good people? How does the Holy Spirit work in the lives of the faithful? What should people do with feelings of disappointment in God? Those who haven't yet read the entire series may be confused by the examples given here, which jump quickly among the Narnia books without always identifying which novel is serving as a chapter's opening illustration. And despite the authors' determination not to reduce Lewis's Chronicles to mere sermons, many of these chapters feel like superficial narrative preaching, with a story, a brief meditation and a final take-away thought for reflection. Still, some of the authors' observations are insightful, and the chapters are short enough that the book could even be used as a month-long collection of daily devotions.
