Futures and Frosting: A Sugarcoated Happily Ever After By Tara Sivec

Carter, Claire and Gavin have formed the perfect little family. Their friends are getting married and everyone is growing up, maturing and ready to face the future. Or are they? From bachelorette party hell, porn addictions, dinner roll baseball and botched wedding proposals to finding out everyone's extended family is chock full of crazy, Carter and Claire begin to question the strength of the ties that bind them. Unfortunately, these ties have nothing to do with fuzzy handcuffs and everything to do with the mounting differences between them. Will their friends make a mess of things with their inappropriate comments and need to know everything, or will they convince the couple that happily-ever-after sometimes really can start with beer pong?

"I'm so happy that I heard about these books. They helped to remind why I love reading so much. Not only are they funny, but the love story is romantic, sweet, and realistic. I can not recommend this book enough!" - The Autumn Review

"Tara has this uncanny ability to not only write a beautiful love story, but have it so laced with truth and humor that you can't help but completely relate, even if you're not remotely in the same situation as any of the characters." - Madison Says
