John Dies at the End By David Wong

NOW A MAJOR MOTION PICTURE

STOP.

You should not have touched this book with your bare hands.

NO, don't put it down. It's too late.

They're watching you.

My name is David Wong. My best friend is John. Those names are fake. You might want to change yours.

You may not want to know about the things you'll read on these pages, about **the sauce**, about **Korrok**, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under **the eye**.

The only defense is knowledge. You need to read *John Dies at the End*, to the end. Even the part with the bratwurst. Why? You just have to trust me.

The important thing is this:

The drug is called **Soy Sauce** and it gives users a window into another dimension.

John and I never had the chance to say no.

You still do.

Unfortunately for us, if you make the right choice, we'll have a much harder time explaining how to **fight off the otherworldly invasion** currently threatening to **enslave humanity**.

I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very **dark epoch** the world is about to enter as a result, it is crucial you keep one thing in mind:

None of this is was my fault.

Editorial Review

From Publishers Weekly

In this reissue of an Internet phenomenon originally slapped between two covers in 2007 by indie Permutus Press, Wong—Cracked.com editor Jason Pargin's alter ego—adroitly spoofs the horror genre while simultaneously offering up a genuinely horrifying story. The terror is rooted in a substance known as soy sauce, a paranormal psychoactive that opens video store clerk Wong's—and his penis-obsessed friend John's—minds to higher levels of consciousness. Or is it just hell seeping into the unnamed Midwestern town where Wong and the others live? Meat monsters, wig-wearing scorpion aberrations and wingless white flies that burrow into human skin threaten to kill Wong and his crew before infesting the rest of the world. A multidimensional plot unfolds as the unlikely heroes drink lots of beer and battle the paradoxes of time and space, as well as the clichés of first-person-shooter video games and fantasy gore films. Sure to please the *Fangoria* set while appealing to a wider audience, the book's smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next. (Oct.)

Review

“*John Dies at the End*...[is] a case of the author trying to depict actual, soul-sucking lunacy, and succeeding with flying colors.” ?*Fangoria*

“David Wong is like a mash-up of Douglas Adams and Stephen King . . . ‘page-turner’ is an understatement.” ?*Don Coscarelli, director, Phantasm I–V and Bubba Ho-tep*

“David Wong has managed to write that rarest of things---a genuinely scary story.” ?*David Wellington, author of Monster Island and Vampire Zero*

“The rare genre novel that manages to keep its sense of humor strong without ever diminishing the scares.” ?*The Onion AV Club*

“Sure to please the *Fangoria* set while appealing to a wider audience, the book's smart take on fear manages to tap into readers' existential dread on one page, then have them laughing the next.” ?*Publishers Weekly*

“When it's funny, it's laugh-out-loud funny, yet when the situation calls for chills, it provides them in spades.” ?*Kirkus Reviews*

“The book takes every pop culture trend of the past twenty years, peppers it with 14-year-old dick and fart humor, and blends it all together with a huge heaping of splatterpunk gore.... Successfully blend[s] laugh-out-loud humor with legitimate horror.” ?*i09.com*

About the Author

DAVID WONG is the pseudonym of Jason Pargin, Senior Editor and columnist for humor megasite Cracked.com. He is the author of *John Dies at the End* and *This Book Is Full of Spiders*.

Users Review

From reader reviews:

Steven Williams:

Book will be written, printed, or descriptive for everything. You can realize everything you want by a book. Book has a different type. To be sure that book is important issue to bring us around the world. Next to that you can your reading skill was fluently. A e-book John Dies at the End will make you to become smarter. You can feel considerably more confidence if you can know about every thing. But some of you think that open or reading a new book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you seeking best book or appropriate book with you?

Eva Ammons:

Is it you who having spare time then spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This John Dies at the End can be the solution, oh how comes? The new book you know. You are so out of date, spending your spare time by reading in this completely new era is common not a geek activity. So what these books have than the others?

Lawrence Sawyer:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this John Dies at the End can make you experience more interested to read.

Nancy Williams:

Publication is one of source of understanding. We can add our expertise from it. Not only for students but in addition native or citizen require book to know the upgrade information of year to help year. As we know those textbooks have many advantages. Beside we all add our knowledge, can bring us to around the world. By the book John Dies at the End we can acquire more advantage. Don't you to definitely be creative people? To be creative person must love to read a book. Just choose the best book that suited with your aim. Don't end up being doubt to change your life with this book John Dies at the End. You can more inviting than now.
