**ZoZo: Personal Encounter: Based On True Events** By Alex Ryken

A brief account of personal experiences with the Ouija board demon known as ZoZo.

The events in this "Journal" were all written at the time of them occurring in 2009, and are all based on real events. A group of friends plays with a Ouija Board only to unlock a doorway for something else to cross over into our world. Something evil.

Since then, many stories of "ZoZo" have been told. Ranging from books and short stories, all the way over to movies. The ZoZo phenomena has impacted many lives, negatively.

This book isn't a jump scare or a story about beating demons. Its a warning. For your own safety, NEVER play with a Ouija Board.
